Nursery Manager Report

State inspection of our nursery took place on March 30th.

The fish are growing:

- Brook trout average size 9 1/4"
- Brown trout 10 3/4"
- Rainbow trout 10 1/2"
- Golden trout, as the inspector stated, are "Huge"

All are in good health and our water flow and oxygen level are also good. So we passed with flying colors!

We are preparing for our spring stocking and plan on 4,000 going out on the first stocking day.

Special Thanks to our dedicated feeders and volunteers for your help.
 Happy fishing!

Steve Kreiser
 Nursery Manager

Dear Fellow Members,

We want to thank each and every one of you who stepped up to support our YBAC Outdoor Sports Show. The weather was looking a little dicey on Friday but Saturday was fine. Must have been cabin fever, because we had a good, steady crowd

all day long. It was a great day for reconnecting with friends and family.

We had a great turn out of members to work. Raffle ticket sales were excellent. Donations, particularly "Feed the Fish", day-of purchase of door prize and 50 / 50 tickets and support of our food stand provided a gross revenue over \$14,000. We also renewd and gained a lot of neew members. Our net profit was \$7,659.27. This amount will all go to meeting our budget. Our presenters wefe enjoyed by all and we had many vendors say they want to return next year.

Again, Thank You for your support for this main fundraiser.

Bill Raines and John Aigeldinger

Wish List

Many thanks to everyone who has responded to our "Wish List". Joe Marique was able to obtain the donation of two new picnic tables. We have had donations of automatic fish feeders - still need three more feeders. Donations to "Feed the Fish" continue to come in.

We still need someone to volunteer to assist Leon with managing the facility.

Donation of money or materials, approx \$300 to build and install another gate in the fence for the lawn mowers to pass through.

Still looking for additional members to help feed fish.

Donation of monies toward a grinder pump and tank to keep the raceways cleaner. (approx. \$800)

Need air compressor (new or used) and an 8' step ladder.

Thanks to Bob Moyer for the 6' step ladder and Bob Lynn for several gallons of paint.

Hello to All.....

who survived the past winter and hope to find all ready to go fishing. This note is from Tim McCurdy, club treasurer.

Through the winter months I have been receiving the YBAC mail and sending out membership and embroidered patches and now the pewter pins. I had been making a list of who ordered and I think that I have sent all the pins that I had recorded. I am only human and Old, and make some mistakes, so if I have missed someone or if you would like to order either the 2014 or 2015 embroidered patch or pewter pin, they are available by dropping the club a note along with payment of \$6.25 and \$3.00 for shipping / handling each. I will be very happy to send them.

Remember, "When they're gone, they're gone"

Tim McCurdy,
Treasurer
